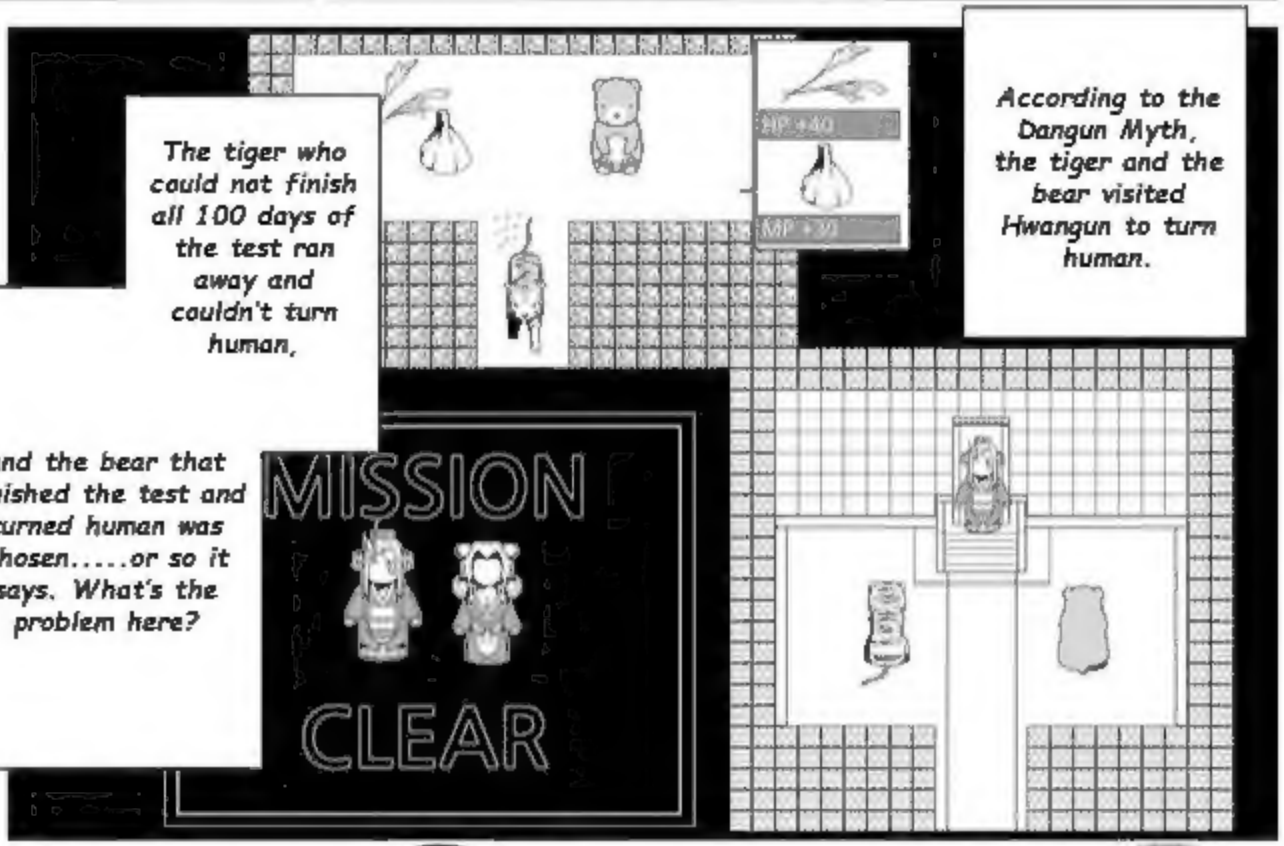
You want me to
chase Na Rae out?
Her being around you is a bad influence on the master.
Why?
That thing on the top of your body has more functions than just eating.
Even if she can't manifest her powers, she's still part of the bear clan.
The master knows of this as well.
Just an image.

Ok, let's calm down and think about it.
Na Rae is a bear, and Rang Ii is a tiger.

It's easy once you get used to it.
You could have just told me to think about it.
Anyway, isn't that why I'm researching stuff about Rang Ii and the Dangun Myth?
Isn't it hard to talk in such a roundabout way?



According to the Dangun Myth, the tiger and the bear visited Hwangun to turn human.
The tiger who could not finish all 100 days of the test ran away and couldn't turn human,
and the bear that finished the test and turned human was chosen.....or so it says. What's the problem here?
MISSION
CLEAR

I can't give you any specifics, but...

I see you're thinking of something fatuous.
So, what exactly is the problem?
When did you learn to mind-read.

...
You're still 50,000 years too early to have that body.
Don't tell me she's jealous of Na Rae's banging body and has a complex?
This is Sung Hoon's Imagi-nation.

It is related to the master's trauma.

The master was only looking at you when she followed you to Seoul.
Young master, you must not forget.

So what, you want me to chase her out?
She's only staying here because she's worried about you two, isn't that a bit harsh?
Those are stupid words befitting of the young master.

.....
I know.

Whatever the reason, the one who offered his hand to Rang Ii was me.
And Rang Ii took my hand.
Therefore, I have the responsibility to take care of her.
No.
You do not know anything.
That's why you didn't consider the master,
and brought Miss Na Rae into the house.
Just what wrong did I do to Rang Ii, that I have to listen this lecture?
Just how is it a problem that I brought Na Rae into the house?
What are you doing after leaving me alone?

OH SHIT!
I get lonely when I'm alone.
I JUST ACTED LIKE AN ADOLESCENT THAT GOT CAUGHT WATCHING PORN!
FBI WARNING
?
What's wrong?

I was preparing your bed.
Oh, is that so.
What is there to confirm?
As long as Sung Hoon is next to me, I can sleep anywhere.
You look like you'd sleep anywhere even without me.
That's because you're next to me!
Usually it's not like that!
Anyway, I'm sleepy.
Let's sleep together Sung Hoon!
What? Why should .....
I was taught that if you don't sleep alot, you don't grow.
I thought your true form was Mt. Jiri, are you trying to become Mt. Everest?
IS NOT WHAT I MEANT TO SAY, WHY ARE YOU PREPARING THE BED?
I ALMOST FELL FOR IT!
Did the master not say she wanted to sleep?
THEN GO PREPARE IT IN YOUR ROOM!!
What are you saying?

I was taught that it's obvious that a couple shares the same bed.
And did we not already spend our first night together?
When did we become a couple?
and you, do you even know what a first night is?
Of course, I am not a child.
A man and a woman go into a relationship,
and in the same room, they sleep under the same covers! Am I wrong?
삐빅!
헉!

Sae Hee.
Yes?
I think Rang Ii needs proper sex ed.
An old saying goes...
TCH~!
Rather than listening to it a hundred times,
it's better to just do it once.
Pigeon, sparrow, ashy minivet, certhiidae ...
WHAT ARE YOU SAYING? ARE YOU TRYING TO KILL ME? (BOTH IN MIND AND BODY!)
Do what?
Or you could just show her the folders on your computer.
TN: Sunseng nim = sensei = teacher
Thank goodness! If I ask Na Rae...
she can give Rang Ii proper sex ed...
Why are you all gathered here?
Na Rae!
WHAT?
Let's sleep already!
I want to have a baby with you!
Help me, Gu** sunseng nim!
TN2: I'm not exactly sure who the censored name was.

W, what's wrong with your clothes?
Wh what's wrong with it?
IT'S TOO REVEALING!
Proper Sex Ed

The problem is that I don't have any complaints
No, the problem is that I'm enjoying this too much
Everyone dresses like this nowdays, what's the problem?
Do you have some kind of complaint?
Really?
WHY AM I A CONCUBINE?
AND OUR COUNTRY IS MONOGAMOUS, YOU CAN'T HAVE A MISTRESS!
Unlike a concubine like you,
Sung Hoon and I are couples, we came to share rooms
So why is everyone here?
No, no, no, no, no.
You
Eyes of sympathy
Then I feel sorry for you.
Sung Hoon has already fallen heads over heels for me, you don't even have a chance
I WAS WASHING YOU BECAUSE YOU DIDN'T WANT TO DO IT YOURSELF! DON'T MISUNDER-STAND!
Didn't we already look at each others bodies?
IT WAS COLD AND I HUGGED YOU WHILE HALF ASLEEP! IT'S A SLEEP-ING HABIT!
Why are you giving excuses?
Didn't you vigrously want me last night?

I, I was so happy that he accepted me! But then...
WAAAH-!
WAAAH. SUNG HOON IS BEING MEAN TO ME-
Why are you being so harsh?
Eh?
EVEN I NEVER HUGGED HER!
It's alright Rang Ii,
Sung Hoon is only being mean to hide his embarassment.
Is that true?
Yes ma'am.
I'm really really embarassed right now, so I didn't know how else to act.

You don't lack anything to become Sung Hoon's mistress!
Really? You get embarassed so easily!
I TOLD YOU THAT YOU CAN'T HAVE ONE IN OUR COUNTRY!
Then tuck her in at your room.
...she fell asleep.
She must be tired after traveling such a long distance. She's a person who normally sleeps alot.
I cannot do that.
WHY?
Don't be so sensitive about it.
It feels like a sibling thats attached to her oppa.
That's not an understanding, but a misunderstanding?
Then.. I'll sleep on the sofa.
Well,
I'll understand Rang Ii and your situation for now.
The master only let her guard down because of your smell and warmth.
If we move her to MY ROOM, she might wake up.
Did you just nonchalantly call it your room?

Sorry to disturb your salt rubbing.
You were calling me a lolicon all this time,
Isn't it fine if you're not?
I know you're not that kind of..
Miss Na Rae, I something to ask of you.
What do you want to know?
What is your size?
Size?
I'm talking about your bust.
WHAT?
12화 마침.

ATTENTION!

PEASANTS!

THIS IS YOUR GLORIOUS LEADER

I have recieved enough donations to buy out every single chapter that is currently released. Any extra that I recieve, and any other donations that I recieve from now on will go towards future chapters(author still releases a new chapter every friday) and other projects(once I catch up all the way on this one)

Thank you those who donated, it was a great help. And thank you for supporting this project.

This does not mean stop donating :D

PAYPAL: gloriousscans@gmail.com

If you're donating, make sure to send with "send money to friends and family" and not "pay for goods or services" as that lets paypal take a fee and creates a 21 day delay.

Also, I'm recruiting staff.
